The Secret Lexicon

Created by Kelvin Sengwer

Qantrivox

The voice of something that has never spoken before.

Veluntra

Describes a moment that feels both heavy and light at the same time, like the weight of responsibility mixed with hope.

Sorinthal

The gentle sadness you feel when finishing a good story, knowing you ' ll never experience it for the first time again.

Drexalon

A place that exists only in dreams but feels more real than waking life.

Miratheon

To silently admire someone ' s strength without them noticing.

Pluvendra

The fresh, almost musical smell in the air after the very first raindrop falls, before the storm arrives.

Zyrelith

Describes something that feels timeless, as though it belongs equally to the past and future.
